

AT-HOME PRODUCTION

Thursday, June 4 EDITING AND GRAPHICS

2:00 p.m.

WELCOMING REMARKS

EDITING AND MEDIA MANAGEMENT

PRESENTED BY  

TECH FOCUS

Remote editing solutions are more important than ever and, thankfully, they are also more capable than ever. Join us as top technology providers discuss their offerings, the current challenges related to editing remotely, and more.

MODERATOR: Ken Kerschbaumer, SVG, Executive Director, Editorial

SPEAKERS:

Jeff Barnes, EditShare, Director of Strategic Accounts, Americas
Brad Boim, NFL Media, Senior Director, Post Production and Asset Management
Daniel Webster, Blackbird, VP, Strategic Accounts - Americas

CASE STUDY:

PRESENTED BY 

Extending Online Media Production in an Ever-Changing World

This case study showcases how a large media conglomerate found a solution for their employees to securely access and edit content from home. Leostream, Amulet Hotkey, and CineSys-Oceana discuss how they design secure remote workflows for production continuity.

PRESENTERS:

Karen Gondoly, Leostream, CEO / VP Product Management
Stuart Robinson, Amulet Hotkey, Solutions Director
Harry Skopas, CineSys-Oceana, Director of Technology / Media Solutions Architect

AT-HOME GRAPHICS TECH FOCUS

PRESENTED BY  

The combination of big data, virtualized systems, and the ability to work remotely is transforming graphics creation workflows and processes. Experts in graphics discuss how graphics systems are evolving in response to the growth in at-home productions.

MODERATOR: Jason Dachman, SVG, Chief Editor
