Day 1 - October 7

AGENDA (All times Eastern)

2:00 - 2:15 p.m. WELCOMING REMARKS

PRESENTER: presented by  grass valley
Robert Erickson, Grass Valley, Strategic Account Manager,
Sports and Venues

2:15 - 2:45 p.m. KEYNOTE CONVERSATION: How IP Powers the Fox Sports Vault

IP technologies continue to transform the nature of remote production workflows and the Fox Sports "Vault" is the latest example. Fox Sports took a space in its Pico facility, that previously was a tape library, and has transformed it into a work area where nearly 30 production personnel can complete replay, graphics, and other functions for productions taking place hundreds and even thousands of miles away.

MODERATOR:

Ken Kerschbaumer, SVG, Executive Director, Editorial

SPEAKER:

Kevin Callahan, Fox Sports, VP, Field Operations and Engineering

2:45 - 3:05 p.m.

IMAGINE COMMUNICATIONS CASE STUDY: Live Production with COTS IP

presented by  imagine COMMUNICATIONS

Sports Stadiums, Arenas and Sports Networks are moving to IP and before you make your move - join Cassidy Phillips and his guest Ryan Morris as they provide an introduction to the do's and don'ts of COTS IP. Plus, they'll share their experiences designing and implementing COTS-based ST 2110 live production systems with real world examples.

SPEAKER:
